What is the campaign?

NUS women's Campaign and Sexpression UK have come together to create a consent education programme which aims to facilitate positive, informed and inclusive conversations and campaigns about consent in universities and colleges across the UK.

Get involved!

If you would like to get involved in the campaign, please contact the National Women's Officer Susuana Antubam (susuana.antubam@nus.org.uk) or visit our website: www.nus.org.uk/women
