

KYLE SCOTT #1 FOR NUS SEC!

Who am I?

I'm **Kyle Scott** and I'm running for NUS SEC because I believe that **we should be a fighting, campaigning movement, that can win the change our students need and deserve.**

I've been involved in grassroots campaigning with Unite the Union, the Scottish Trade Union Congress, the Better than Zero Campaign, and **as a student at Glasgow Kelvin College and Strathclyde University.**

I know what it means to be a **student and a worker** and how important it is to be in a union for both, **how much support our colleges and their SAs need** and how far we must go to help them, **how important staff-student solidarity** is on campus for the whole community and that **better mental health services are needed** across Scotland.

If elected I will...

- Help **build student-staff solidarity across our campuses** by working with teaching unions.
- Help **advance NUS Scotland's activity on student workers**, using my experience to support efforts with Better than Zero, Unite Hospitality and the STUC.
- **Make sure that Mental Health continues to be a priority for NUS Scotland**, keeping up the fight for **better counselling provision and investment in student wellbeing.**
- Support the **fight for fairly funded College SAs!**
