

Vote Shaun as NUS Scotland Scottish Executive Committee 19/20

Hello, as a member of the SEC it is my aim to ensure that the students' voices are heard.

My motivation is simple;

I believe in our college's Student Associations and the collective work of our membership. We can continue with the amazing progress that our membership is making in lots of areas such as Student Support and Student Funding. Furthermore, I want to be known as a member of the SEC who pursued the wishes of the students and accomplished many great things.

If elected, I will

- Hold the Officers To account
- Speak up on current issues
- Ask our membership for their questions
