

Delegate entitlement Liberation Conferences 2019

This document gives the delegate entitlements to NUS Scotland Liberation Conferences in April 2019. It outlines the process and formula for setting the number of delegates each college or university can send to NUS Scotland democratic events.

You should read this document, note your delegate entitlement, and make arrangements to select them from your members, usually by cross campus ballot in the case of HE constituent members.

How is our delegate entitlement worked out?

Each students' association gets one delegate per 2,000 Full-Time Equivalent (FTE) students. FTE is worked out by giving a value of one to each full-time student at your institution, and 0.6 for each part-time student. The delegate number is rounded up to the next whole number. In addition, each students' association can send as many observers as they wish.
